Experience

2015	I had a passion for web design so I took a training about web designing at Broadway Inforsys Pvt. Ltd.
2015	I started my career as a intern based on web designer in Access Keys Pvt.Ltd situated at ravibhawan kalimati for about 3 months. I learnt basic web designing skills on access keys and help to develop my designing skills.
2015 (Oct)/2018 (Nov)	I started my career as a Web Designer at Code Pixelz Media Pvt. Ltd. for further improvement and to give my creative and innovative ideas as a Web Designer. My responsibilities at Code Pixelz are to slice the PSD's (PSD to HTML) by using SaaS, Bootstrap, JS, Pixel Perfect site, Responsive , and i had use page builder tools like Elementor, Divi Builder and VC builder, WP Bakery Builder for building Website too.
2019 (March)/July 2021	I'm working as FrontEnd Developer at Catch Themes for a theme development. Handling dark and pro theme and developing mulitple demos.
2021(Aug)/ March	I'm working as FrontEnd Developer at Crazy Studio. Worked with react, git, Elementor.
2022(March) / Running	I'm currently attending training for React JS for further improvement of my skill set.
